Roatan

MARCH 20-27, 2017

Roatan is surrounded by the world's second largest barrier reef that is one of the healthiest in the Caribbean. Explore sloping plateaus perfect for spotting macro life, sheer walls with large soft corals and barrel sponges. Enjoy wreck dives abundant with life, crevices, trenches, overhangs and exciting cavern systems. Roatan's water temperature ranges from 78 – 84 F with visibility consistent between 60-100 feet. You are going to have a wonderful time on this trip!

Package includes:

- Roundtrip airfare from Toronto to Roatan
- 7 nights' accommodation at Turquoise Bay Beach & Dive Resort
- All meals and snacks
- 5 days of 2 tank boat dives
- Weights, belt, and filled tanks
- Airport transfers, Hotel tax

Rates in Canadian dollars, based on double occupancy. Not including: airline baggage fees if applicable, gratuities, optional travel insurance, dive gear and personal expenses. A deposit of \$500 will secure your spot! Non-divers from \$2295.
